## Safety Features

Here at Peugeot, safety is of paramount importance, with this in mind every part of Peugeot 308 has been designed to protect you and those dearest to you.

In recognition of this Peugeot 308 SW's counterpart, Peugeot 308 Hatchback was awarded a five star rating – the highest rating possible – from Euro NCAP, the most widely recognised independent vehicle safety assessor in Europe, following extensive and rigorous crash testing.

**Airbags:** Peugeot 308 offers optimum protection for you and your family. All models features 6 airbags as standard. Airbag protection comprises:

**Driver & front passenger airbags:** providing frontal protection for front seat occupants. Front passenger airbag can be deactivated to allow for the fitment of a child seat.

**Front side airbags:** located in the seat frame on the outside edge of the front seats; they inflate between front seat occupants and the front doors, providing thorax, abdomen and pelvis protection in a side impact.

**Curtain airbags:** located either side of 308, these deploy in a side impact and provide head protection for both front and rear occupants in a side impact.

**Isofix:** Peugeot 308 SW features two Isofix mounting points located on the outer rear seats, allowing for the safe and secure fitment of two child seats.

In addition, deployment of the airbags causes the fuel supply to be cut off, doors will automatically unlock, hazard warning lamps will activate and Peugeot Connect SOS (if specified) will automatically trigger and contact the emergency services if no response is received from occupants onboard.

## Practicality

**Practicality:** Peugeot 308 SW features the largest load space in its class. The boot area level with the retractable parcel shelf in place boasts up to 660 litres, this extends up to an impressive 1775 litres with the rear seats folded flat, loaded to the roof.

**"Magic Flat" Rear Seats:** Offer 2/3 1/3 split fold functionality, when lowered the rear seats lie flat to optimise loading. Lowering the seats couldn't be easier, simply pull the handles located in the boot area, a particularly useful feature when loading items in tighter spaces as there is no need to open the rear doors to lower the seats.

**Retractable Boot Cover:** A cover that can be pulled across to conceal items in the boot, retracted to allow for greater access, or removed all together for optimised load space with the seats folded.

**Boot Sill Height:** The design of Peugeot 308 SW incorporates one of the lowest boot sills in the class. The unladen height is just 61cm, this allows easier loading and unloading of bulky or heavy items whilst also providing easier access for pets.

**Aluminium Boot Rails:** For additional security on the move, boot rails, complete with adjustable tethering hooks can be used to prevent items moving. (Optional on Allure models, standard on GT Line & GT models)

Rear seats in place with boot cover retracted, up to 810 litres of space (loaded to roof).

"Magic Flat" rear seats 2/3 1/3.

"Magic Flat" rear seats folded, up to 1775 litres of space (loaded to roof).

Low Boot Sill for easier loading.

"Magic Flat" rear seats boot release switch.

Aluminium Boot Rails with accessory boot retainer (available at extra cost).

Model shown is Peugeot 308 SW GT with optional Magnetic Blue metallic paint.

PureTech Petrol Engine Technology

**Peugeot PureTech: Compact engine – huge spirit**

Peugeot PureTech is advanced 3-cylinder petrol engine technology that offers a drive and performance normally associated with much bigger engines but with significantly improved fuel consumption and CO<sub>2</sub> emissions\*. It's a product of Peugeot's 100 years of intelligent, innovative engineering and combines reduced weight materials with the efficiency of applying direct fuel injection to three cylinders. On some versions we've even added Turbo power, optimising torque at all revs and delivering an engine with a unique personality and one which is ultimately designed to give you maximum driving pleasure and responsiveness, at any speed, for less.  
 (\*comparison based on New 308 1.2L PureTech110 S&S vs New 308 1.6 THP 125)

**Peugeot PureTech: The Record Breaker.....**

The award winning Peugeot 308 fitted with the award winning 1.2l PureTech 130 S&S set a new record for production car fuel economy & distance.

- 1.2l PureTech 130 S&S managed **99.1mpg** & covered **1,125** miles on one tank of fuel.
- Officially witnessed by the authority UTAC (Union Technique de l'Automobile, Motorcycle et Cycle).
- Driven for over 32 hours to consume the 51.4-litre contents of its fuel tank.

**Peugeot PureTech: The Multi Award Winner.....**

For the second year running, PureTech technology has been awarded the hugely impressive accolade of 'International Engine of the Year' for the 1.0l -1.4l category with a panel of 65 industry experts from 31 countries coming to the unanimous decision.

- "The new PureTech engine from PSA is a **revelation** in terms of refinement, performance and efficiency," stated German journalist Thomas Imhof.
- "Without turbo lag, this three-cylinder gives a lot of power and perfect torque at very low revs, with a harmonious noise throughout the whole range. And the consumption is very low," agreed L'Automobile Magazine's Christophe Congrega.

BlueHDi Diesel Engine Technology

**Peugeot BlueHDi : Pioneering on MPG and CO<sub>2</sub>**

BlueHDi is the name given to Peugeot's latest generation of diesel engines. The result of a world-famous diesel heritage plus innovation and engineering excellence developed on the race track of Le Mans, BlueHDi complies with Euro 6\* emission standards, to deliver exceptional fuel economy and CO<sub>2</sub> emissions alongside a driving experience rich in power and performance.

A three stage cleansing process specifically targets the pollutants of diesel combustion, removing hydrocarbons and carbon monoxide, reducing nitrogen oxides by up to 90% and eliminating 99.9%<sup>ii</sup> of particulates. BlueHDi delivers the cleanest diesel engine possible and exceptional fuel economy of up to 91mpg with CO<sub>2</sub> as low as 82g/km<sup>iii</sup>.

(\*by number <sup>iii</sup>model and version dependent)

- Peugeot 308 Active 1.6L BlueHDi 120 S&S awarded 'Best SME Company Car To Buy 2015' by Business Car Manager magazine, in recognition of its 'ultra clean 1.6l diesel engine'.

Efficient Automatic Transmission (EAT6) Technology

**EAT6 (Efficient Automatic Transmission):**

**New generation of AISIN 6-speed automatic gearboxes**

Peugeot's new generation of automatic gearboxes have been developed in collaboration with Aisin AW. EAT6 uses Quickshift technology, for faster gear changes and smooth operation, delivering superb driving pleasure and exceptional fuel and CO<sub>2</sub> efficiency.

Model shown is Peugeot 308 SW Allure with optional 18" Saphir wheels, Cielo panoramic glass roof and Cumulus Grey metallic paint.

## KEY FEATURES - PEUGEOT 308 SW

### Driver Assistance Pack

**Driver Assistance Pack:** Advanced safety pack controlled by a radar mounted within the front bumper. Pack comprises:

**Dynamic Cruise Control:** ('intelligent' cruise control that can use engine braking to maintain a set distance between 308 and the car in front).

**Emergency Collision Alert System:** (an audible & visual alert to the driver to take action to avoid a collision).

**Emergency Collision Braking System:** (if a collision is imminent 308 makes an automatic brake application to reduce speed by a maximum of 12mph to reduce the severity of impact).  
(Optional on Allure & GT Line, standard on GT models).

### Peugeot Connect SOS & Assistance

**Peugeot Connect SOS & Assistance:** A vehicle locating communication unit, this feature can be used manually (dedicated SOS button in the roof) or automatically (if pyrotechnic devices are deployed). It locates the vehicle precisely and triggers the sending of the appropriate emergency services for a rapid response. Peugeot are the pioneers of this technology, since launching in 2003 Peugeot Connect SOS & Assistance has come to the aid of over 7,000 individuals.  
(Optional across the Peugeot 308 range).

### Peugeot Open & Go

**Peugeot Open & Go:** Using sensors mounted in the front door handles, 308 can be opened without removing the key from your pocket or bag, simply grab the handle and the vehicle will automatically unlock. Once inside a simple press of the stop start button is all that is required.  
(Optional on Allure & GT Line, standard on GT models).

### City Park

**City Park:** This system provides Active assistance for parking by detecting a parking space and then operating the steering system to park in this space. The system works with both parallel and bay parking.

**Blind Spot Monitoring:** also comes with the City park pack, this technology provides information to the driver during a journey, on the presence of a vehicle or motorcycle in the blind spot by means of four sensors mounted in the front and rear bumpers, if a vehicle is detected the driver is informed through the illumination of the LED light located in the door mirrors.  
(Optional on Allure, GT Line & GT models).

### Driver Sport Pack

**Driver Sport Pack:** Increase the sporting temperament of your Peugeot 308 with this exciting pack.  
By pressing the 'Sport' button this increases responsiveness of power steering and engine and gearbox to accelerator pedal. Other changes include instrument panel colour change to red (from white) and a change to display vehicle dynamic parameters - acceleration, power delivery, turbo.  
(Optional on Allure & GT Line, standard on GT models).

## KEY FEATURES CONTINUED - PEUGEOT 308 SW

### Satellite Navigation

**Satellite Navigation:** Linked to the 9.7" colour touch screen, the system includes European mapping and comes with 5 years of free software updates.

The system also includes a point of interest function, full postcode lookup and various route planning options.  
(Standard on 308 Active models and above)

### Colour Reversing Camera

**Colour Reversing Camera:** A camera located on the rear of the vehicle is linked to the 9.7" colour touch screen. The system increases visibility and driver confidence when reversing.

The camera also works in low light & features guidance lines to aid with parking.  
(Optional on Allure, standard on GT Line and GT models)

### Full LED Headlamps

**Full LED Headlamps:** Light Emitting Diode (LED) technology remains a rare feature in the car industry with Peugeot 308 however this is not the case. Full LED headlamps feature from Allure level and above providing the following customer benefits:

- LED technology consumes considerably less energy to produce light, 50% less than halogen and 35% less than xenon technologies.
  - LED technology offers a whiter light for improved visibility at night, the light is also more similar to daylight, leading to reduced driver eye fatigue, improving safety.
  - LED technology requires no warm up time with instantaneous lighting response when compared to conventional halogen technologies.
  - LED technology will last for the life of the car, compared to halogen technology with much shorter life expectancy.
  - LED technology offers a very striking visual signature that perfectly complements the sharp exterior design of Peugeot 308.
- (Standard on 308 Allure models and above)

In addition all PEUGEOT 308 models feature LED daytime running lights to increase the visibility of the vehicle during daylight hours as well as LED lighting for the rear side and brake lights.

### Panoramic Cielo Glass Roof

**Panoramic Cielo Glass Roof:** Measuring 1.44m<sup>2</sup> this large fixed panel glass roof bathes the cabin in natural light. An electric roller blind is also included, this blind is able to filter out of 95% of exterior light.  
(Optional on 308 Active models and above)

### Sequential LED Front Indicators

**Sequential LED Front Indicators:** an exclusive visual marker for sport models, when signalling the front bumper mounted LED indicators scroll in an outwards formation.  
(Standard on 308 GT Line and GT)
